

## How to Get My Ballot? (Cont.)

### *Election Day Voting:*

#### *Polling Place*

If your county of residence utilizes polling places, voters must go to their assigned polling place for their specific precinct.

#### *Vote Centers*

If your county of residence utilizes vote centers, voters may go to any vote center location within your county.

Polls are open from 6 AM to 7 PM on election day. Identification is required to vote at the polls. Please contact the ACDL or Clean Elections for more information on what ID is acceptable.

### **When Do I Update My Registration?**

Anytime a registrant moves (refer to the "Can I Still Vote" section for acceptable addresses), changes their name or changes their party affiliation they are required to re-register to vote. If your registration hasn't been updated you can still vote a provisional ballot, which can then be used to update your registration as long as you reside within the same county.

### **Additional Assistance.**

For more information on legal rights and agencies that services voters without a permanent residence, such as shelters and clinics, please contact the ACDL.
